On receipt of the same, the Operator shall raise duly signed invoices (preferably digitally signed) on the Broadcaster, in accordance with the applicable GST laws towards the Eligible Discount Value on the Broadcaster within 7 days from date of receipt of said intimation from the Broadcaster (“Discount Invoice Deadline”). The Operator’s invoice towards such Eligible Discount Value shall refer to the Goods and Service Tax Identification Number (GSTIN) of the Broadcaster which is included in the Broadcaster’s invoice raised towards the Monthly Subscription Fee payable by the Operator.

The Eligible Discount Value shall be paid by Broadcaster to the Operator within fifteen (15) days from the date of receipt of valid invoice from the Operator as set out herein above (or adjusted as more specifically stated in clause 6.7 hereinbelow), subject to Operator making payment of the Monthly Subscription Fee to Broadcaster as set out in clause 6.1 above for the relevant month. In the event the Operator defaults in providing the Discount Qualifying Reports and/or Discount invoice(s) so as to enable Broadcaster to ascertain and process the Eligible Discount Value, the Operator shall not be entitled to the discounts until the Operator provides the same within three (3) months from the Discount Qualifying Report/Discount Invoice Deadline. No claims from the Operator shall be entertained post this deadline and the Operator shall be deemed to have waived off its right to claim Discount under the Agreement. For avoidance of doubt, it is hereby clarified that nothing contained in this clause shall have any bearing on the Operator’s obligation to pay the Monthly Subscription Fees to Broadcaster as stated herein above and the Operator shall be required to pay the Monthly Subscription Fees as stated therein.

The Eligible Discount Value payable by Broadcaster to the Operator in respect of discount shall be subject to deductions of all applicable taxes.

6.7 If the Broadcaster finds discrepancies in the invoice(s) raised by the Operator, the Broadcaster shall have the right to reject such invoice(s) and communicate the correct discount amount that the Operator is entitled to. The Operator shall thereafter furnish the correct invoice(s) immediately to the Broadcaster. If at any time credit for taxes charged and collected by Operator is denied to Broadcaster or payment of taxes is sought from Broadcaster due to, but not limited to, issuance of deficient invoice or default in payment of taxes or non-compliance of applicable laws and regulations by Operator, Operator shall indemnify Broadcaster against any such denied credits or taxes recovered as well as any interest and penalties imposed on Broadcaster in this regard.

In the event the credit of GST is not granted or denied to Broadcaster under its appropriate GST registration under applicable laws for non-payment of taxes charged to Broadcaster or on account of any non-compliance (including but not limited to non-filing of information, non-filing of returns, non-payment of appropriate GST to appropriate government)/incorrect submission of information on the GSTIN platform), then the Operator shall rectify the said non-compliances/errors to ensure that Broadcaster gets the credit in the subsequent month. In the event, the non-compliance/ error is not rectified by the Operator as above, then Broadcaster shall have the right to set off such shortfall against the subsequent payments of the Eligible Discount Value to the Operator or recover the amount of GST charged to it along with the interest, penalty and/or any other cost from the Operator.

6.11. The Operator shall nominate a person who will be single point of contact for Broadcaster for all communication regarding any discrepancy on GSTIN reporting by Operator. Provided that nothing stated herein above amounts to waiver by Broadcaster of its right to deactivate the signals of its Channels as per applicable Law, if such Audit reveals that the Addressable System being used by the Operator does not meet the requirements specified in the Telecommunications (Broadcasting & Cable) Services Digital Addressable Systems Audit Manual dated 8th November 2019 ("Audit Manual") (as may be amended form time to time).

a. If the Operator merges with, acquires or is acquired by a competing MSO operating in the Authorised Area (“Competing Platform”) and the Channels are not carried on the Competing Platform at the time of merger and in the event following the merger the Competing Platform carries the Channels/s pursuant to this Agreement or the Operator distributes the said Channel to the Subscribers of the Competing Platform, the Operator or the successor company shall be obligated to pay the Broadcaster the Monthly Subscription Fee from the effective date of the merger, on the basis of this Agreement within 30 days from the date of the merger based on the revised subscriber base of Operator and the Competing Platform or the successor company/affiliates/joint ventures/networks (as the case maybe).

If the Operator merges with, acquires or is acquired by a Competing Platform and the Channel(s) are carried on Platform and the Competing Platform, then the Monthly Subscription Fee payable by the combined entity / platform would be in accordance with the respective agreements of the Broadcaster, with the platform and Competing Platform prior to such merger, till a fresh agreement is entered into with the Broadcaster for the combined entity.

Without prejudice to the aforesaid provisions, the Operator agrees not to connect or make available the signals of the Channels through the Distribution System to any Independent Affiliate, having outstanding arrears payable to the Broadcaster, without the Broadcaster’s prior written consent vide a written agreement. The Broadcaster has the right to withhold such consent in its sole discretion, till such time that the Independent Affiliate or the Operator does not clear all the outstanding amounts payable by the Independent Affiliate to the Broadcaster for such time the Independent Affiliate has been availing the signals of the Channels.

b. The Operator shall not offer limited period exhibition of any Channel(s) to Subscribers.

c. The Operator shall not distribute the Channels outside the Authorised Area through any other mode without the express written consent/agreement of the Broadcaster.

d. The Operator shall display name and maximum retail price of all the Channels opted by the Operator in its electronic programme guide.

e. Any agreement entered into by the Operator, its sub-operators and their respective Affiliates with a Subscriber shall not relieve the Operator, its sub-operators and their respective Affiliates of any of their obligations under this Agreement and Operator shall ensure that such agreements are not in any way prejudicial to the rights and obligations between the Parties as set out in this Agreement.

f. The Operator shall offer to all Subscribers the bouquet(s) of the Channels offered by Broadcaster for which interconnection agreement has been signed with the Broadcaster, without any alteration in composition of the bouquet(s). In case, the Operator opts for certain bouquet(s) but does not carry all the channels constituted in the bouquet, then the Operator shall be liable to pay for the Channels on an ala-carte basis.

g. The Operator shall make the payment of Monthly Subscription Fee irrespective of the Operator’s collection of the invoiced Monthly Subscription Fee from its sub-operator/affiliate/LCOs/Subscribers in a timely manner, the Operator shall pay the Monthly Subscription Fee on or before the Due Date prescribed in this Agreement.

h. Further it is also agreed by the Operator that any other Independent Affiliate taken over by the Operator during the Term of this Agreement shall be treated as JV and the Operator shall be liable to make additional payment for such JVs acquired during the Term of this Agreement.

j. The Operator acknowledges and agrees that if it facilitates the broadcast of the competition channels in the same genre in multiple languages, the Operator shall extend the same facility to the Broadcaster’s Channels as well at no additional cost.

12. Intellectual Property

12.1 Unless notified to the contrary by Broadcaster, in all trade references, advertising, promotion and marketing, the Channels shall be referred to exclusively as designated herein. As between Broadcaster and the Operator, Intellectual Property over the Channels, marks associated with the Channels, logo, names shall belong exclusively to Broadcaster or its Affiliates or Broadcaster’s rights holder (collectively referred to as “IP Owners”). Operator shall not claim adversely to or challenge the rights of the IP Owners with respect to any Intellectual Property thereof. To the extent any of such rights are deemed to accrue to the Operator, the Operator agrees that such rights are the exclusive property of the respective IP Owners and agrees to renounce such rights and sign all necessary documents which Broadcaster may require the Operator to do. The Operator shall not use any material contained in any of the Intellectual Property without the prior written consent of Broadcaster. If Broadcaster authorizes such use, the Operator shall use such Intellectual Property in connection with the Channels only and only in accordance with Broadcaster’s written instructions. Broadcaster reserves the right to inspect any such material at any time without prior notice. The Operator shall not use any Intellectual Property as part of a corporate name or of a trade name or seek to register any Intellectual Property which in Broadcaster’s opinion is colorable imitation or deceptively similar to the Intellectual property. The Operator shall include appropriate copyright and other legal notices as Broadcaster may require and shall promptly call to the attention of Broadcaster the use of any Intellectual Property, or of any names or marks that resemble any Intellectual Property by any third party in the Authorized Area. The Operator shall within 10 days after termination of this Agreement return to Broadcaster, or at Broadcaster’s request, destroy all material, used for the purpose of printing or reproducing, any Intellectual Property or any other names or marks that in the opinion of Broadcaster are similar to any Intellectual Property, and shall transfer or cause to be transferred to the IP Owners (and at no cost to Broadcaster or any of the IP Owners) all interest in and to any graphic representation created by or for the Operator of any Intellectual Property.

12.2 The Operator shall not use any Intellectual Property for any other purposes including marketing and promotional purposes, except for the purpose of promoting the availability of the Channels on the Platform subject to prior written approval of Broadcaster. However, the Operator can use the Channel Marks to promote the Channel(s) through programme guide, programme listing and for the purpose of displaying the electronic program guide if any.

12.3 The Operator shall use its best efforts to promote an awareness of the Channel among its Subscribers and potential subscribers. The Operator acknowledges that the Channel Marks and associated marks and names (and the names of programs which appear in the service) are and shall remain the exclusive property of the Broadcaster/IP Owners and its licensor(s), as applicable. The Operator has not and shall not acquire any proprietary or other rights or interests therein by reason of this Agreement. The Broadcaster shall have the sole discretion to approve the use of such Channel Marks by the Operator with respect to the programmes included in the Channels. The Operator shall keep fully confidential and shall not publish or disseminate any material or information which violates any conditions imposed by Broadcaster or its programme suppliers/licensor(s) and disclosed to Operator by Broadcaster for the purpose of this Agreement.
13. **Advertising/ Marketing/Promotion**

13.1 The Operator shall promote the Channels in the same manner and to the same extent as any other channels distributed by the Operator on its Platform; provided that the Operator may carry out any specific promotion with respect to certain specific channels, if such channels provide the Operator with financial assistance with respect to such promotion. Notwithstanding the foregoing, the Operator agrees that it shall provide Broadcaster with the same opportunity to carry out specific promotions for the Channels. Moreover, the Operator agrees that the Channels will be treated similarly in terms of size and prominence (taking into consideration the context) to other channels in any advertising material where the Channel Marks appear with the logos and names of all other channels. In any promotion and marketing of the Channels, the Operator shall use only promotional material provided or pre-approved by Broadcaster in strict adherence to Broadcaster's instructions or if the marketing materials for the Channels are created by or on behalf of the Operator, these must be submitted to Broadcaster for Broadcaster's prior written approval. Broadcaster shall make available to the Operator promotional and marketing materials in accordance with Broadcaster's prevailing current practices. Broadcaster may, from time to time, undertake marketing tests and public polls or other research in connection with the Channels. The Operator shall cooperate with Broadcaster in such research by making available information reasonably requested by Broadcaster including the relevant data and address details of its Subscribers. Broadcaster and the Operator agree to discuss joint marketing efforts and the coordination of marketing and promotion for the Channels and the Platform.

13.2 Notwithstanding anything contained elsewhere in this Agreement, the Operator shall not without the prior written permission of Broadcaster promote or associate itself in any manner whatsoever with any programming carried on the Channels. Specifically, the Operator shall not market, promote or in any other manner whatsoever seek to draw any association between Operator and any programme on the Channels. The Operator may only use the official logo of the Channels for any non-commercial purpose, promotional or marketing of the Channels on the Operator's network and provided such use is first approved by Broadcaster in writing.

13.3 The Operator shall not:

i. engage in any kind of promotions, special screenings, private shows, exhibit in public viewing areas, any special schemes or any deals involving any particular event, show or programme on the Channels;

iii. obscure the viewing of any Channel by inserting any form of graphics, pop ups, aston bands, scrolls, squeezers, pre-rolls, post rolls, logos, brand names, virtual advertising, etc.

14. **Term**

14.1 Unless terminated in accordance with the terms hereof, this Agreement shall be valid for such time period as specified in Schedule A forming part of this Agreement.

14.2 The Term may be extended on terms and conditions to be mutually agreed and recorded in writing by and between the Parties either by way of an addendum to this Agreement or under a new agreement.

14.3 The Parties shall enter into new written Interconnection Agreement before the expiry of this Agreement. SONY will send a written notice to the Operator at least sixty (60) days prior to date of expiry of this Agreement to enter into new Interconnection Agreement.

Provided further that if the Parties fail to enter into new Interconnection Agreement before the date of expiry of this Agreement, SONY will disconnect the retransmission of the signals of the Channels on the expiry date of this Agreement.

Provided further that the Operator shall, fifteen days prior to the date of expiry of this Agreement, inform its subscribers through scrolls on its Platform:

a) the date of expiry of this Agreement;

b) the date of disconnection of signals of Sony Channels in event of its failure to enter into new interconnection agreement.
15. Termination and Suspension

15.1 Subject to applicable Law, either Party shall have a right to terminate the Agreement forthwith/by providing a prior Disconnection Notice to the other Party in the event of:

i. any material breach of the Agreement by the other Party which has not been cured within twenty-one (21) days of being required in writing to do so;

ii. the bankruptcy, insolvency or appointment of receiver over the assets of the other Party or admission of any winding up petition against the other Party; or

iii. The Operator’s License or any other material license necessary for the Operator to operate its Platform being revoked at any time other than due to the fault of the Operator.

15.2 Broadcaster shall have the right in its sole discretion to forthwith suspend the delivery of Channels and/or terminate the Agreement forthwith/by providing a prior disconnection notice to the Operator in any of the following events:

i. revocation, termination or suspension of the Operator’s License or any other material license necessary for Operator to operate its Platform;

ii. any material breach of the Agreement which in Broadcaster’s sole opinion is not capable of a remedy;

iii. any breach of the Agreement which, if capable of a remedy, is not remedied by the Operator to the satisfaction of Broadcaster during the period of Disconnection Notice;

iv. If Operator fails to make payment of the Monthly Subscription Fees on or before the Due Date; or

v. If there is change in the ownership, management or control of the Operator which is not pre-approved by Broadcaster.

It is hereby clarified between the Parties hereto that during the Term of the Agreement, if supply of signals of the Channels of the Broadcaster has been discontinued to Operator’s network inter alia due to non-payment of the monthly subscription fees / non-submission of MSRs / non-submission of audit report/not allowing the Broadcaster to audit the system/ non-compliance of the technical requirements (as mandated under the TRAI Regulations) as may have been pointed out by the TRAI empanelled auditor in the course of conduct of the audit of the Operator’s SMS and CAS systems, the supply of signals may be reactivated/restored by the Broadcaster at its discretion upon the breach being remedied by the Operator to the satisfaction of the Broadcaster during the Term. In such an event, the Agreement shall be deemed to be valid only for the remainder period of the Term. However, in the event where the breach is not remedied during the validity of the Agreement, the signals may be reactivated by the Broadcaster only upon execution of a fresh interconnection agreement by the Operator and suitable remediation of the breach to the satisfaction of the Broadcaster.

15.3 The Operator shall have the right to terminate the Agreement if the Operator discontinues its business and provides at least 90 (ninety) days prior written notice.

15.4 The Broadcaster shall have the right to disconnect/discontinue any of the Channels / Bouquet(s) or make changes in the nature or composition of the Channel(s)/Bouquet(s) (as the case may be) at any time by giving a prior written notice of 21 (twenty-one) days or such other notice period as mandated under the Applicable Laws.

15.5 Broadcaster shall have the right to terminate this Agreement by a written notice to the Operator if the Operator breaches any of the Anti-Piracy Obligations and fails to cure such breach within ten (10) days of being required in writing to do so.

15.6 In the event the Applicable Laws are amended during the subsistence of this Agreement in a manner to remove the period for which the Disconnection Notice needs to remain valid before the signal of any or all of the Channels are switched off and accordingly the Agreement can be partially or wholly terminated respectively by Broadcaster, the remedy period for Operator’s breach in Clause 15.2 (iii) shall be such period as may be prescribed by Broadcaster in its Disconnection Notice to the Operator.

15.7 The Broadcaster shall have the right to discontinue/remove/withdraw one or more Channels (“Affected/Removed Channels”), as per Applicable Law and subject to clause 15.4. Once a Channel becomes an Affected/Removed Channel, the same shall cease to be made available by Broadcaster on A-la-carte and/or
as part of Bouquet. In case of any Broadcaster Channel being discontinued by the Broadcaster, effective MRP of the subscribed Bouquet consisting such Channel(s), would get adjusted by a factor of A-la-carte price of removed Channel(s) to sum of A-la-carte prices of all channels forming part of that subscribed Bouquet.

Example:-
If Sony Yay! is discontinued, MRP of Happy India Marathi Blockbuster bouquet will change from INR 26.00 to 23.95, as shown below:

A-la-carte MRP of Sony Yay!: INR 3.00
Sum of A-la-carte MRP of Happy India Marathi Blockbuster bouquet: INR 38.00

Hence reduction factor:
= A-la carte MRP of Removed Channel ÷ Sum of A-la-carte MRPs of all Subscribed Channels forming part of the Subscribed Bouquet
= 3.00/38.00 x 100 = 7.89 %

\[ \text{Hence new bouquet MRP} = \text{INR 26.00} \times (1 - 7.89 \%) = \text{INR 23.95/-} \]

15.8 Upon expiry or termination of this Agreement for any reason:

i. each Party shall return to the other Party the Confidential Information, all materials and information (including intellectual property) pertaining to the other party or destroy the same upon being advised to do so by the other party. The Operator shall forthwith cease to use the Confidential Information pertaining to the Broadcaster;

ii. the Operator shall return the Equipment supplied by Broadcaster in accordance with the terms of this Agreement; and

iii. the Operator shall cease to make any representations that it is associated with Broadcaster or the Channels.

iv. cease to distribute/re-transmit Broadcaster’s Channels’ to the Subscribers

v. The Operator shall within seven (7) days from the date of termination deliver to Broadcaster all due and pending Reports and shall pay all pending payments including interest accrued to Broadcaster till date of deactivation;

15.9 Termination or expiry of this Agreement will not affect the Operator’s obligations that are meant to survive the expiry or termination of this Agreement including the payment of the Monthly Subscription Fees payable under this Agreement. For purposes of clarity, where the Agreement is terminated in accordance with the provisions hereof the Monthly Subscription Fees shall be payable until the effective date of termination.

15.10 Pursuant to Clause 15.2 of this Agreement and without derogating in any manner the right of Broadcaster to terminate this Agreement, where Broadcaster opts to suspend this Agreement partially in respect of certain specified Channels ("Suspended Channels") or whole of this Agreement in respect of all the Channels, then Broadcaster shall have a right, in addition to all the other rights and remedies available to Broadcaster in law, contract or equity, to claim the Monthly Subscription Fees in respect of all the Channels or the Suspended Channels, as the case may be, for the period starting from when the suspension is promulgated by Broadcaster through and until the Agreement is either reinstated or terminated by Broadcaster.

15.11 It is agreed and acknowledged by the Operator that if Broadcaster chooses to terminate the Agreement in its entirety or partially in respect of certain Suspended Channels due to the Operator having failed to remedy the breach notified by Broadcaster pursuant to Clause 15.2 due to which Broadcaster had suspended the Agreement, Broadcaster may not be required to provide a fresh Disconnection Notice if it is not required by the Applicable Laws.

By opting for the Discount Scheme, the Operator shall be presumed to have read and accepted the conditions detailed in this Agreement:

1 Eligibility Criteria

1.1 Subject to the Operator satisfying the Eligibility Criteria, the Broadcaster hereby offers different types of discounts for distributing the Available Channels on A-la-Carte basis on the Platform (subject to cap of 15% of the MRP of the Available Channels), where each such discount is linked to the Available Channels as selected by the Operator for distribution on the Platform under the Agreement, as detailed under Clause 2.2 of this Scheme (collectively the "Discounts" and individually as an "Discount").

1.2 The Operator shall be eligible to avail the Discounts, upon specifically opting in and selecting the relevant option of the Discount(s) in the Agreement (wherever applicable), subject to the Operator meeting each of the eligibility criteria as stated herein below ("Eligibility Criteria"):

   b. The Operator shall place the Channels in parity with the channels of other competing broadcasters in such a manner that all television channels of a particular language in a genre are displayed together consecutively as set out in Table C of this Scheme
   
   c. The Operator shall ensure that during the Term, the bouquet(s) and channel(s) opted by the Operator will be made available to all its subscribers continuously on a 24X7X365 basis without any break, as per the terms and conditions of this Agreement.
   
   d. The Operator shall not default in providing the monthly Subscriber Reports as per prescribed formats.

Upon fulfilment of all the above conditions as set out in the eligibility criteria in Clause 1.2, the Operator shall be eligible to avail Discount(s) as more specifically mentioned herein below. It must be noted by the Operator that at the time of execution of the Agreement, should the Operator wish to avail the Discount(s), it must opt for and select from the various options of the Discount(s) it wishes to avail. Once opted in and upon selection of the relevant Discount(s), the Operator shall not be permitted to change the option of the Discount (unless otherwise agreed in writing by the Broadcaster) and such selected Discount shall remain valid throughout the Term of the Agreement.

*GEC stands for General Entertainment Channel*
LCN Discount conditions:

a. No Displacement from the Desired LCN Rank is permitted for the following Channels viz. SONY ENTERTAINMENT TELEVISION, SONY SAB, SONY MAX, SONY ENTERTAINMENT TELEVISION HD, SONY SAB HD and SONY MAX HD. If the Operator displaces any of these aforementioned Channels then the Operator shall not be eligible for LCN discount for any of the Subscribed Channels.

b. The Operator shall be entitled to have the flexibility of displacing up to two (2) Subscribed Channels from their respective Desired LCN Rank as defined in Table C (except for Channels as defined in point (a) above) out of the total number of Subscribed Channels. However, in the event that the Operator displaces more than 2 Channels from their respective Desired LCN Rank as defined in Table C out of the total number of Subscribed Channels then the Operator shall not be eligible for LCN discount for any of the Subscribed Channels.

c. Displacement Allowed is the Maximum Deviated LCN Rank from the Desired LCN Rank permitted for placing a Subscribed Channel to avail LCN Discount. If any Subscribed Channel is placed by Operator in a LCN Rank beyond the Maximum Deviated LCN Rank permitted for that Channel, the Operator shall not be eligible for LCN Discount for any of the Subscribed Channels. For example, the Desired LCN Rank for Sony Yay! is Top 5 and the Deviation allowed is +2, then the Maximum Deviated LCN Rank for Sony Yay! is LCN Rank 7. If the channel is placed in LCN Rank 8 or beyond, the Operator shall not be eligible for LCN discount for any of the Subscribed Channels.

d. In the event, a Subscribed Channel has different LCN ranks across the Operator’s Platform then the Operator acknowledges and agrees that the worst LCN rank (highest numerical value) will be considered for calculating the Actual LCN Rank for such Channel.

e. In the event, the Operator has multiple head ends with different Actual LCN Rank for the Subscribed Channels, then the worst LCN rank (highest numerical) for each of the Subscribed Channels shall be considered for the purpose of computation of the applicable LCN Discount.

f. Actual LCN Rank for each of the Subscribed Channels will be considered only in their respective Primary Market(s) for the purpose of computation of applicable LCN Discount.

g. If the Operator has opted for LCN discount, then the Operator shall provide channel wise LCN report as defined in Schedule C. Such LCN report provided by the Operator will be verified with the records of the Broadcaster and if found eligible, Operator will be provided the LCN discount. If the Operator does not provide the LCN report within the Discount Qualifying Report Deadline, then the Broadcaster shall proceed with checking the LCN discount eligibility & compute the LCN discount, if found eligible, on the basis of its own records.

h. The Operator shall be eligible for “LCN based Discount” subject to the Operator meeting the Desired LCN Rank Requirements as set out herein within the specified genre on the Operator’s Platform, after factoring all Local Channels and Platform Services of the Operator, for all the Subscribed Channels.

Local Channels and Services of the Operator shall mean and include channels and/or services owned and/or operated by the Operator that are not delivered through any linear broadcast and such channels which are not construed to be a television channel which has been granted permission for downlinking by the Central Government under the policy guidelines issued or amended by it from time to time. The following illustration clarifies the aforesaid:

<tr>

<td>Local channel of the Operator</td>
</tr>
<tr>
<td>103</td>
<td>SONY MAX</td>
</tr>
<tr>
<td>104</td>
<td>ZEE CINEMA</td>
</tr>
</tbody>
</table>

In the above case, in the Hindi Movies Genre, LCN rank of SONY MAX in the genre shall be calculated as 3 and not 2 and the Operator’s eligibility for “LCN based Discount” shall be calculated accordingly. Thus, the Broadcaster shall consider placement of Local Channels and Services in the genre while computing LCN ranks and applicable Discounts.

i. In the event that the Operator, for any reason whatsoever, fails to place any of the Channel(s) as per the defined LCN grid in Table C above and subject to the conditions mentioned above, during any day of the month and Operator is not able to restore the Channel/s in the defined LCN grid within 3 days from the date of such displacement (“Cure Period”), then the Operator shall not be eligible to receive the LCN Discount for any of the Subscribed Channels for that particular month.

pay Channels of any Broadcaster on a-la-carte or bouquet basis from the Operator.

Agreement, the Operator shall also provide to the Broadcaster such additional reports within seven (7) days from
the end of each month in the format provided by the Broadcaster together with such other information as the
Broadcaster may require for calculating the Discount which the Operator is entitled to.

Any failure on part of the Operator to provide the Subscriber Reports and the additional reports shall amount to
material breach of the Agreement, which shall entitle the Broadcaster to withdraw the Discounts and/or terminate

SCHEDULE D

OPERATOR'S OBLIGATIONS

1. STBs, Smart Cards, Systems and Procedures.
   1.1 In order to ensure that each STB is capable of being used for FP, Operator agrees that the STB supplied to the Subscribers will conform to the BIS standards as provided in BIS specifications for digital Set Top Box.
   1.2 Operator represents and agrees that there are adequate systems, processes and controls in place regarding the distribution of STBs and Smart Cards so that they are only sold within the Authorized Area by Operator or by its authorized dealers and such sales are only made to bona fide Subscribers residing in the Authorized Area and installations are made by Operator or its designees at an address in the Authorized Area. Adequate systems, processes and controls shall include, without limitation, Operator:
      1.2.1 collecting and maintaining complete up to date records of each and every Subscriber's details, and such Subscriber's STB and Smart Card including, without limitation, the particulars specified in paragraph 2.4;

      1.2.3 investigating any multiple Smart Cards issued under one individual name or address (other than for mirror STB's), including visiting the premises of such individuals or addresses from time to time;
      1.2.4 deputing officers to visit and verify the accuracy and veracity of details submitted by Subscribers, in the event Operator becomes aware of any alleged continuing/potential misuse and/or misrepresentation by the Subscribers;

      1.2.7 deauthorising any STB or Smart Card that is found outside of the Authorized Area or in the possession of a person who is not a bona fide Subscriber.
   1.3 Operator agrees that all of its STBs and Smart Cards: (i) are sold and installed together as a pack only in the Authorized Area and only at the premises of Subscribers whose address has been verified in accordance with paragraph 2.2.2; and (ii) employ card-pairing technology that ensures once a Smart Card is activated, it is paired to a particular STB and that the Channel(s) cannot be viewed if such Smart Card is removed and used with any other STB.
   1.4 Operator agrees that all installations of STBs and Smart Cards are done directly by Operator or through its authorized dealers and only within the Authorized Area, and that the installer for every installation physically checks and ensures before installation and activation of a STB and Smart Card that the address where the installation is being done matches with the address as supplied by the Subscriber at the time of purchase of the STB and which is the same as detailed in the subscriber management system ("SMS"). In accordance with paragraph 2.2.1, Operator's SMS shall contain all of the following information items for each residential Subscriber prior to activation of a Smart Card and STB for such residential Subscriber:

1.5 The Operator agrees and undertakes that it shall not knowingly or negligently activate, or otherwise reactivate, as the case may be, those Smart Cards, wherein the Channel(s) can be accessed from addresses, which are:

1.5.1 not bona fide or do not match the addresses as supplied by the relevant residential Subscribers as detailed in the SMS;
1.5.2 outside of the Authorized Area; or
