Notwithstanding anything contained herein and to the extent permitted under the extant laws and regulations, Broadcaster shall, during the Term, have the right to: (a) discontinue any Available Channel(s); and / or (b) modify (either by adding and/ or removing Available Channels) any existing Bouquet(s) of the Available Channel(s); and / or (c) launch new channels and/or bouquets comprising of the Available Channel(s). The Parties agree that the Monthly Subscription Fee payable by the Operator to Broadcaster may vary in the event of launch of a new channel and/or new Bouquet.

- (a) SONY Sports Ten 4 Kannada on or after 01 April 2026;
- (b) Subject to receipt of requisite approvals by the Broadcaster from the relevant authorities, SONY Vizha and SONY Vizha HD on or after 01 June 2026;
- (c) Subject to receipt of requisite approvals by the Broadcaster from the relevant authorities, Sony Telugu and Sony Telugu HD on or after 01 August 2026. For purposes of clarity, (i) Sony Telugu and Sony Telugu HD are tentative names of these two New Channels, and the Broadcaster may launch these two New Channels on or after the stipulated date herein; and (ii) the language and the genre of these two New Channels shall remain the same as mentioned in Clause 1.47 above.

Until each of the aforesaid New Channel is launched, the Operator shall be provided proportionate discount (refer below example) during the Term if the Operator opts for the Bouquets in which any of the New Channels are included.

Example: -

If the operator has opted for Happy India 2026 Smart - Tamil bouquet MRP of which is INR 42.00, then MRP of this Bouquet till the launch of SONY VIZHA will be INR 29.91

A-la-carte MRP of SONY Vizha: INR 19.00

Sum of A-la-carte MRP of Happy India 2026 Smart - Tamil Bouquet: INR 66.00

Hence proportionate discount factor percentage:

A-la carte MRP of New Channel ÷ Sum of A-la-carte MRPs of all Subscribed Channels forming part of the Subscribed Bouquet = $19.00/66.00 \times 100 = 28.79\%$

Hence new bouquet MRP = $\text{INR } 42.00 * (1 - 28.79 \%) = \text{INR } 29.91 /-$

In the event Broadcaster introduces any additional new Channel(s)/Bouquet(s), Broadcaster shall publish the relevant information on its website as per Applicable Law. In the event the Operator intends to avail the New Channel(s) / Bouquet(s), the Operator may do so by sending a written request (email permitted) to the Broadcaster in the format as may be prescribed by the Broadcaster (email permitted) and the Broadcaster may consider such request suitably.

Also, the terms of this Agreement shall automatically apply to New Territory, provided that such areas fall within the States or Union Territories in which the Operator has been permitted by MIB to distribute the signals of television Channels under this Agreement.
- (f) It is hereby clarified that in the event where the distribution of the Channels is done by the Operator in the New Territory without provision of thirty (30) days' advance written notice to the Broadcaster, as referred herein above, the Operator shall be deemed to be in breach of the terms of this Agreement and such distribution shall be treated as unauthorized and unlawful and the Operator shall be liable for appropriate penal action as per the Applicable Law / Regulations.

- (g) In the event Broadcaster raises written objection with reasons for adding proposed New Territory and objects to the extension of operations of Operator to the proposed New Territory and the Operator receives the same within the said 30 (thirty) days notice period, the Operator shall not re-transmit the signals of the Subscribed Channels, directly or indirectly, beyond the Territory i.e. in such additional area(s). If the Operator re-transmits the signals of the Subscribed Channels in the proposed New Territory despite receiving written objection from Broadcaster, the same shall amount to material breach of this Agreement; including but not limited to infringement of Broadcaster's rights under the Copyright Act, 1957 (as amended from time to time).

In the event the Operator chooses to opt for / avail any of the incentive options of the Incentive Scheme as mentioned in **Schedule A1**, the Operator will have to comply with all the conditions stipulated in the respective incentive option to be eligible for getting incentive under the Incentive Scheme.

4.8. Broadcaster’s Promotional Offer(s)

The Broadcaster reserves its rights and shall be entitled to launch Promotional Offer(s), as per Applicable Law. Broadcaster shall have a right to charge interest at a monthly rate of 18% on the outstanding Monthly Subscription Fee from the date the same is due till payment and realization. The imposition and collection of interest on late payment of Monthly Subscription Fees does not constitute a waiver of the Operator's absolute obligation to pay the Monthly Subscription Fees by the Due Date.

5.3. Within seven (7) days of end of each month during the Term, the Operator shall provide the Subscriber numbers, recorded four times in a month as specified in Schedule C for each of the Channels opted by the Operator, both for A-la-carte and Bouquet(s) offerings of the Broadcaster (“**Subscriber Report**”), based on which Broadcaster shall raise an invoice for the Monthly Subscription Fee on the Operator. However, it is agreed by Broadcaster that the Provisional Invoice shall be for an amount increased by ten percent of the Monthly Subscription Fee payable by the Operator for the immediately preceding month provided that the Operator shall provide the

Subscriber Reports at the earliest and ensure that the reconciliation for the Provisional Invoices and actual payment on the basis of submitted (albeit late) or revised Subscriber Reports shall be conducted within three months from the date of issue of such Provisional Invoice. In such an event the Broadcaster shall have an option to levy an additional charge whereby the Operator shall be liable to pay to the Broadcaster an amount equivalent to previous three months' invoice amount towards additional penalty charge for every such default, in addition to the Provisional Invoice amount raised for Monthly Subscription Fee for non-submission / inaccurate Subscriber Report.

- 5.4. Nothing contained herein, amounts to waiver by Broadcaster of its right to deactivate the signals of its Channels, as per Applicable Law.
- 5.5. All Monthly Subscription Fee payments hereunder are exclusive of all applicable indirect taxes including but not limited to GST. All such taxes shall be at the Operator's cost and will be charged at the prevailing rates by Broadcaster to the Operator.

In order to avail incentive(s) (as enumerated in Schedule A1 hereto), the Operator shall: (i) be in compliance with the terms of this Agreement; (ii) meet the incentive qualifying parameters; (iii) Fails to submit the Incentive Qualifying Reports in the prescribed format on or before the Incentive Qualifying Report Deadline and (iv) there is no discrepancy in the Monthly Subscriber Report(s) and or the Incentive Qualifying Report (defined herein). Pursuant to said compliances, the Operator shall share the Incentive Qualifying Reports (as defined in Schedule C hereto) for calculation of the opted incentives along with the Subscriber Reports, not later than 15 days from the date of submission of such Subscriber Reports (**"Incentive Qualifying Report Deadline"**). Subject to eligibility, Broadcaster shall intimate (emails permitted) the Operator of the entitled incentive value (**"Eligible Incentive Value"**) within 15 days from the receipt of correct/error-free Incentive Qualifying Report. Within seven days of receipt of the Eligible Incentive Value, the Operator shall raise a valid and correct invoice(s) (preferably digitally signed) on the Broadcaster, in accordance with the applicable GST laws towards the Eligible Incentive Value on the Broadcaster within 7 days from date of receipt of said intimation from the Broadcaster (**"Incentive Invoice Deadline"**). The Eligible Incentive Value shall be paid by Broadcaster to the Operator within fifteen (15) days of receipt of valid invoice from the Operator as set out herein above (or adjusted as more specifically stated in Clause 5.9 hereinbelow, subject to Operator making payment of the Monthly Subscription Fee to Broadcaster set out in Clause 5.1 above for the relevant month. In the event the Operator defaults in providing the Incentive Qualifying Reports and/or incentive invoice(s) so as to enable Broadcaster to ascertain and process the Eligible Incentive Value, the Operator shall not be entitled to the incentives unless the Operator provides the same within three (3) months from the Incentive Qualifying Report/Incentive Invoice Deadline (as the case may be) and no claims from the Operator shall thereafter be entertained and the Operator shall be deemed to have waived off its right to claim incentive under the Agreement. For avoidance of doubt, it is hereby clarified that nothing contained in this Clause shall have any bearing on the Operator's obligation to pay the Monthly Subscription Fees to Broadcaster as stated herein above and the Operator shall be required to pay the Monthly Subscription Fees as stated therein.
- 5.8. The Eligible Incentive Value payable by Broadcaster to the Operator in respect of incentive shall be subject to deductions of all applicable taxes.
- 5.9. If the Broadcaster finds discrepancies in the invoice(s) raised by the Operator towards the incentive, the Broadcaster shall have the right to reject such invoice(s) and communicate the same to the Operator. The Operator shall thereafter furnish the correct invoice(s) immediately to the Broadcaster. Notwithstanding, the Broadcaster shall at its sole discretion adjust the amount payable against such incentive amount(s) from the outstanding Monthly Subscription Fee(s) payable by the Operator to the Broadcaster.

- 5.10. The Operator shall issue tax invoice in the format and containing all information required to be mentioned therein under provisions of law currently applicable or introduced in future. Broadcaster will not be liable to pay any taxes if the same is not charged in the appropriate manner on the invoice issued under this Agreement. Further, Operator undertakes to pay taxes charged and collected from Broadcaster to the credit of appropriate Government and also comply with other provision related to reporting of such taxes in appropriate form and time as per applicable provision of law. If at any time credit for taxes charged and collected by Operator is denied to Broadcaster or payment of taxes is sought from Broadcaster due to, but not limited to, issuance of deficient invoice or default in payment of taxes or non-compliance of applicable laws and regulations by Operator, Operator shall indemnify Broadcaster against any such denied credits or taxes recovered as well as any interest and penalties imposed on Broadcaster in this regard.
- 5.11. In due compliance of its obligations, Operator shall remit the GST so charged (if any) from Broadcaster, subject to a valid invoice / debit note, to the appropriate government authority and file GST returns as prescribed, within the statutory timelines, mentioning all appropriate and relevant information on the GSTIN platform, which enables Broadcaster to claim timely credit (i.e., in its GST return for the month in which the invoice / debit note is raised on Broadcaster) of GST in the appropriate GST registration. In the event the credit of GST is not granted or denied to Broadcaster under its appropriate GST registration under applicable laws for non-payment of taxes charged to Broadcaster or on account of any non-compliance (including but not limited to non-filing of information, non-filing of returns, non-payment of appropriate GST to appropriate government)/ incorrect submission of information on the GSTIN platform), then the Operator shall rectify the said non-compliances/errors to ensure that Broadcaster gets the credit in the subsequent month. In the event, the non-compliance/ error is not rectified by the Operator as above, then Broadcaster shall have the right to set off such shortfall against the subsequent payments of the Eligible Incentive Value to the Operator or recover the amount of GST charged to it along with the interest, penalty and/or any other cost from the Operator.
- 5.12. The Operator shall nominate a person who will be single point of contact for Broadcaster for all communication regarding any discrepancy on GSTIN reporting by Operator. If any tax proceedings are initiated against either Party, in relation to the transaction contemplated under this Agreement, the other Party shall fully co-operate by furnishing all information as available on timely basis as may be required by such Party, including but not limited to confirmation of booking/accrual of expense.
- 5.13. As and when there is any change in the GST rules, acts, regulations on input credit (which are available in public domain as on date of signing this Agreement), the Parties shall discuss the provisions relating to the same and may enter into a further amendment, if required, to address each other's concerns in relation to such compliance.
- 5.14. In accordance with the Applicable Laws, the Broadcaster shall have the right to audit the addressable systems, CAS, SMS and other related systems of the Operator by an Empanelled Auditor to verify the Operator's compliance of its obligations, declarations, representations and warranties under this Agreement including but not limited to the accuracy and validity of the monthly Incentive Qualifying Reports submitted by Operator to Broadcaster for availing incentive hereunder.

However, use of a STB with the Recorder facility which has been supplied to the Subscribers by the Operator shall not be treated as unauthorized use; provided (a) such Recorder facility in the STB complies with the terms of this Agreement; (b) such STB is used in accordance with the terms and conditions of the subscription agreement between the Operator and the Subscriber, and (c) the Subscriber uses it strictly for non-commercial use and personal consumption.
- 8.8. If so instructed by Broadcaster, the Operator shall shut off or de-authorize the transmission to any unauthorized Subscriber indulging in Piracy, within ten minutes from the time it receives such instruction from Broadcaster. Any communication under this Clause shall be considered as valid information only if the information is sent through official e-mail of a designated officer of Broadcaster. However, such foregoing information may even be provided by designated officer of Broadcaster through other means of communications such as text messages (via SMS or WhatsApp) , and the said information shall later be confirmed by Broadcaster through e mail and the Operator shall be under an obligation to act upon such information relating to Piracy and switch off the concerned STB.

 - (a) Operator failing to pay the Monthly Subscription Fees by the Due Dates and or any other amount payable by the Operator to the Broadcaster;

In such an event, the Agreement shall be deemed to be valid only for the remainder period of the Term. However, in the event where the breach is not remedied during the validity of the Agreement, the signals may be reactivated by the Broadcaster only upon execution of a fresh interconnection Agreement by the Operator and suitable remediation of the breach to the satisfaction of the Broadcaster.

Example:-

If Sony Yay! is discontinued, MRP of Happy India 2026 Smart - Hindi (SPN0002026SH) bouquet will change from INR 58 .00 to INR 54.26, as shown below:

A-la-carte MRP of Sony Yay!: INR 6.00

Sum of A-la-carte MRP of Happy India 2026 Smart - Hindi (SPN0002026SH) bouquet: INR 93.00

Hence reduction factor percentage:

= A-la carte MRP of Removed Channel ÷ Sum of A-la-carte MRPs of all Subscribed Channels forming part of the Subscribed Bouquet

= 6.00/93.00 x 100 = 6.45%

Hence new bouquet MRP = INR 58.00 * (1 – 6.45%) = INR 54.26/-

1	Penetration Incentive	Subject to Operator fulfilling the LCN qualifications as stated herein below and LCN Slabs as laid down in Table B of this Schedule
2	HD Conversion	

Does the Operator intend to avail the Incentive Scheme: ☐ ☐

(tick mark (✓) which is applicable)

By opting for this Incentive Scheme, the Operator shall be presumed to have read and accepted the conditions as detailed in this Agreement.

LCN qualifications:

- In the event, if out of all Subscribed Channels, 1 channel is placed in LCN Slab 2 and rest of the channels are placed in LCN Slab1, then for all Subscribed Channels incentives will be considered as per LCN Slab 2. Similarly, if out of all Subscribed Channels, 1 channel is placed beyond LCN Slab 2 and the rest of the Subscribed Channels are placed in LCN Slab 1 or LCN Slab 2, then the Operator shall not be entitled to any Incentive under this Agreement.
- In the event, a Subscribed Channel has different LCN ranks across the Operator's platform then the Operator acknowledges and agrees that the worst LCN rank (highest numerical value) will be considered for calculating the actual LCN Rank for such Channel.
- In the event, the Operator has multiple head ends with different actual LCN Rank for the Subscribed Channels, then the worst LCN rank (highest numerical) for each of the Subscribed Channels shall be considered for the purpose of identification of the applicable LCN Slab.
- Actual LCN Rank for each of the Subscribed Channels will be considered only in their respective Primary Market(s) as per Table-A for the purpose of identification of applicable LCN Slab.
- If the Operator has opted for incentives under this Agreement, then the Operator shall provide channel wise LCN report as defined in Schedule C of this Agreement. Such LCN report provided by the Operator will be verified with the records of the Broadcaster and if found eligible, Operator will be eligible for the Incentive . If the Operator does not provide the LCN report within the Incentive Qualifying Report Deadline, then the Broadcaster shall proceed with checking the LCN Slab eligibility & identify the LCN Slab, if found eligible, on the basis of its own records.
- The Operator shall be eligible for "incentive" subject to the Operator meeting the desired LCN rank requirements as set out herein within the specified genre on the Operator's platform, after factoring all local channels and Platform Services of the Operator, for all the Subscribed Channels.

Local channels and Services of the Operator shall mean and include channels and/or services owned and/or operated by the Operator that are not delivered through any linear broadcast and such channels which are not construed to be a television channel which has been granted permission for downlinking by the Central Government under the policy guidelines issued or amended by it from time to time. The following illustration clarifies the aforesaid:

LCN	Channel
101	STAR GOLD
102	Local channel of the Operator
103	SONY MAX
104	ZEE CINEMA

In the above case, in the Hindi Movies Genre, LCN rank of SONY MAX in the genre shall be calculated as 3 and not 2 and the Operator's eligibility for Incentive shall be calculated accordingly. Thus, Broadcaster shall consider placement of local channels and Platform Services in the genre while computing LCN ranks and applicable incentives.

- (g) In the event that the Operator, for any reason whatsoever, fails to place any of the Channel(s) as per the defined LCN Slabs in Table B below and subject to the conditions mentioned above, during any day of the month and Operator is not able to restore the Channel/s in the defined LCN Slabs within 3 days from the date of such displacement ("**Cure Period**"), then the Operator shall not be eligible to receive any incentive for any of the Subscribed Channels for that particular month.

Kindly refer to Clause 2.10 in relation to any New Channel(s).

For the purpose of the Agreement, the following terms have been defined:

- **Active platform subscriber base:** The active platform subscriber base shall mean the subscribers who have subscribed to broadcasting services from the Operator.

- **Active platform SD subscriber base:** The active platform SD subscriber base shall mean the active platform subscriber base who have not subscribed to even a single HD channel from the Operator.

- **Active platform HD subscriber base:** The active platform HD subscriber base shall mean the active platform subscriber base who have subscribed to one or more HD channels from the Operator.

- **Penetration threshold:** Penetration threshold shall mean the penetration percentage for the relevant subscribed channels on the active platform subscriber base in the defined Primary Market as mentioned in Table A.

- **Broadcaster HD Penetration:** Broadcaster HD Penetration shall be taken as the highest penetration percentage of a Broadcaster HD channel (in its primary market) as numerator and Active platform HD subscriber base of the Operator as denominator.

For Eg: If Operator ABC has achieved below HD channel penetration in Rajasthan market:

- SONY ENTERTAINMENT TELEVISION HD = 93%
- SONY SAB HD = 86%
- SONY MAX HD = 86%

Hence, the Broadcaster HD Penetration would be taken as 93%.

TYPES OF INCENTIVES:

I. PENETRATION INCENTIVE:

Incentive Type	Criteria	If LCN rank requirements met as per LCN Slab 1 in Table B	If LCN rank requirements met as per LCN Slab 2 in Table B
Penetration Incentive	Penetration Threshold: Slab 1 (as mentioned in Table C)	13%	9%
	Penetration Threshold: Slab 2 (as mentioned in Table C)	8%	4%

Terms and conditions:

Operator shall be entitled to Penetration Incentive in a particular market for the respective subscribed Bouquets and Ala-carte Channels subject to the Operator meeting the below criteria's:

- (a) Meeting the specified LCN rank requirements as per the LCN Slabs specified in Table B within the specified genre on the Operator's platform, including all its local channels and Platform Services, for all the Subscribed Channels
- (b) The respective channel achieving the penetration threshold slab (through Bouquets as well as Ala carte) in the defined market as mentioned in Table C
- (c) Penetration threshold shall mean the penetration percentage for the relevant subscribed channels on the Active platform subscriber base in the defined Primary Market.
 - For channels having both HD & SD variants (e.g. SONY MAX, SONY SAB), penetration percentage will be calculated by considering the summation of subscriber base of both the variants as numerator and Active platform subscriber base as denominator. If the channel achieves the penetration as defined in Table C, then incentive will be applicable for both the variants.
 - For channel having only SD variant (e.g. Sony Max 2), penetration percentage will be calculated by considering the channel subscriber base (forming part of SD bouquet, HD bouquet and Ala Carte) as numerator and Active platform subscriber base as denominator.
- (d) Penetration Incentive will be calculated for qualifying channels basis the respective market, on proportionate revenue from such channel as A-la-carte and as part of (any) bouquet, as illustrated hereinbelow.

Penetration Incentive for a Channel shall be calculated as per the following formula:

Qualified Penetration Incentive % *multiplied by* [(A-la-carte Channel MRP *multiplied by* A-la-carte Subscribers in the specific market) *plus* (Effective Channel Price in a Bouquet *multiplied by* Bouquet Subscribers in the specific market)]

Effective Channel Price in a Bouquet:

Effective Channel price in a Bouquet shall be computed by reducing such percentage from the A-la-carte MRP of a Channel that is equivalent to the percentage of discount that the Broadcaster is offering on the MRP of the relevant Bouquet vis-a-vis the sum of A-la-carte MRP of all channels forming part of such Bouquet.
